What's it all about, Al-fie? Is it

just for the moment we live?

What's it all about when you sort it out, Al-fie?
Are we meant to take more than we give, or are we meant to be kind?

And if only fools are kind, Alfie, then I guess it is wise to be cruel. And if life belongs only to the strong,

Alfie, what will you lend on an old golden rule? As

An-y-one who ev-er dreamed — could look at me — and know I dream of you,

Do You Know The Way To San Jose

Moderato

I. Do you know the way to San Jose? I've been away so long, I may go wrong and lose my way. Do you know the

(Verse 2 see block lyric)
way to San-Jo-se? I'm go-ing back to find some peace of
mind in San-Jo-se. L. A. is a great big free-way.
Put a hun-dred down and buy a car.
In a week, may-be two, they'll make you a star.
Weeks turn into years, how quickly they pass, and all the stars

that never were parking cars and pumping gas.

I've got lots of friends in San Jose.
L. A. is a great big freeway. Put a hundred down-

years, how quick they pass, and all the stars that never were.
I've got lots of friends in San Jose.

Do you know the way to San Jose?

Can't wait to get back to San Jose.
Verse 2:
You can really breathe in San Jose.
They've got a lot of space,
There'll be a place where I can stay.
I was born and raised in San Jose.
I'm going back to find
Some peace of mind in San Jose.
Fame and fortune is a magnet,
It can pull you far away from home.
With a dream in your heart, you're never alone.
Dreams turn into dust and blow away;
And there you are without a friend,
You pack your car and ride away.

I love you when you ain't around. And I love you, I love you. Only to find any dream that I follow is dyin'. I'm cryin' in the rain. I could be searchin' my world for a love everlasting. Feeling no pain when will we meet again. Why do you have to be a Heart Breaker?
Is it a lesson that I never knew, got to get out of the spell?
When I was being what you want me to be, suddenly everything.

That I'm under, my love for you has passed me by.

This world may end. Not you and I.

My love is stronger than the universe, my
soul is cryin' for you and that cannot be reversed. You made the rules and

you could not see, you made a life out of hurtin' me.

Out of my mind I am held by the power of your love. Tell me

when do we try, why should we say goodbye. Ye Ye

Words by Hal David

Why do birds suddenly appear all around you?

Just like me—
they long to be close to you. Why do

stars fall down from the sky ev'ry time you walk by?

Just like me — they long to be
close to you. On the day that you were born the angels got together. And decided to create a dream come true.

So they sprinkled moon-dust in your hair. Of
gold, and star-light in your eyes of blue.

What the World Needs Now Is Love

Words by Hal David

world needs now is love, sweet love,

and she said it's really a sin to be mean and cruel.

So remember if you're untrue, angels up in heaven are looking at you. You'll never get to heaven if you break my heart, so be very careful not to make us part.
You won't get to heaven if you break my heart.

Oh no.

You won't get to heaven if you break my heart.

Oh no.

You won't get to heaven if you break my heart.
If you break my heart...

I can hardly wait for the day when we say “I do.”

It’s the day I’ve dreamed of so long, now it’s coming true.
You will promise to cherish me; if you break your promise, the angels will sing:

You'll never get to heaven if you break my heart, so be very careful not to make us part.

You won't get to heaven if you break my heart. Oh,
Verse 2:
I've been hearing rumours about how you play around.
Tho' I don't believe what I hear, still it gets me down.
If you ever should say goodbye,
It would be so awful the angels would cry.

You'll never get to heaven ...

No more lies.
Things that I promised myself fell apart,
But I found my heart.
